

HOBBLE CREEK PARK PICKLEBALL AND TENNIS COMPLEX

Twelve dedicated pickleball courts, plus two tennis courts (that have the option to become four pickleball courts) have been built. Several pickleball courts and tennis courts will be large enough to accommodate wheelchair players. Electricity will be available if needed.

Boise Parks and Recreation will control all rules and regulations regarding open play and tournaments. Any individuals interested in scheduling tournaments or Pickleball/tennis instructors wanting to give playing instructions need to contact Boise Parks and Recreation for approval.

Treasure Valley sport enthusiasts are reminded not to utilize any of the complex courts for play until after the dedication ceremony on November 12th.

Boise Parks and Recreation and the Hobble Creek Pickleball Complex Committee would like to thank the following corporate sponsors for their donations:

Albertson Family Foundation
D.L. Evans Bank
EEG Electrical Contractors
Idaho Pizza Company
Selkirk Sport

Championship COURT DONORS
Gary and Jeri Robbins
Mike and Karen Boyd

FLAGPOLE DONORS
Carson Spencer
Cathy Miller

The following sponsorships are still available

Water Fountain\$4,000
Each Court\$6,000

It is not too late to purchase an engraved brick for the entrance.
